

Projector Rental Policy

The Bay Area Photo Club owns a computer projector and has decided to make it available for a small rental fee to Star Level 2 and above members to advance their photographic skills and exposure.

The following conditions must be met and agreements acknowledged:

The renter must be a Member in good standing with the club.

The renter must be an Honors Program Star Level 2 or above.

The rental event must be related to the Member's photography interest in some way.

The renter is responsible for any repair/replacement not covered by the 3 year service warranty we purchased at BestBuy.

The renter must coordinate with the club officer responsible for the projector (Clif Grim in 2005) to pick up the projector at the officer's convenience.

The renter must return the projector to the club officer within a few days of the rental completion.

The club officer will test the projector on return from the rental.

The rental cost is \$20 per event. One rental event is considered to be a maximum of about 4 hours of projection time.

The renter can petition the club officers for a rental that does not meet all the conditions above.

The renter must attest to the following when renting the projector:

I attest that I will handle any repair/replacement if the projector does not work when I return it.

I attest that I am using the projector for an event related to my photography.

I attest that my use of the projector meets all the conditions listed above.
