

# JURIED SHOW PETITION

The Bay Area Photo Club encourages its members to submit images to well respected juried shows. At some point, a broader point of view than the club can provide is needed for artists to advance in their craft.

This is a notification that a member has had work accepted at a juried show and a petition to the Judging Committee to affirm juried show acceptances or awards as meeting the requirements of advanced Star (achievement) levels. Since not all shows are created equal, the Judging Committee must approve acceptances to ensure that reasonable standards are met.

Some venues are pre-approved (see <http://www.bayareaphotoclub.org/node/70>), in which case this form serves as notification only.

Fill in as much as you can of the following:
